**The annual Health Fair is  
October 7 from 9 to 1  
Meadows Community Center**

### Tonight's Program

Regardless of point of view, legislators on both sides of the aisle credit Senator Con Bunde with using good judgement in the bills he sponsors and the causes he champions. He is also an effective pollster when it comes to gauging his constituent's reactions. If that's not enough, he has a good sense of humor! Please come with questions.

### Future Meetings

**October 5** Indian resident and our last year's exchange student to Thailand Lang Van Dommelen will tell us about the Monk's Story in addition to other southeast Asian highlights.

**October 7** Thanks to Bob and Deanna Persons for their annual contribution to the Health Fair which we sponsor at the new church building- Meadows Community Center near the hotel.

**October 12** October is vocational month and we will have a series of four, brief vocational talks at Ken and Jen's house where our repast will be a potluck. Please bring an easy to prepare dish for our dinner.

**October 19** Representative Mike Hawker will explain the "sustained effort" needed to get our community center/library plus the GASLINE.

**October 26** Lana Johnson is arranging a presentation on Proposition 2, the proposed gas tax, and its possible effect on the gas pipeline. Folks, this is a serious concern for all of us.

**November 2** Karen Zaccaro will discuss the scholarship need in early childhood education training for our Little Bears personnel.
