- Larry will give us background information on our fine resort and give us a tour of some facilities when he gets back from his current trip.

- Some community members were able to join us for Mike Hawker's conversation with us on what the legislature has done and what it will do in the next session. He pointed out that with oil under \$70 a barrel, the legislature will be concerned again with paring the budget. He also discussed the departmental requests to create budgets 10 years out and how that helps their budgeting process.
