Introduction of Guests

Jody Liddicoat introduced our guest for the night – see list above.

Guest Speaker

Caity Wilson gave an animated and interesting summary of her time in Switzerland (and her travels throughout Europe) as an exchange student. She had a great time and the host families were mostly wonderful people. School was great and she was able to get credit for her school year – after a lot of communicating with the Anchorage School district and personnel. Caity found out two weeks ago that the school here would give her credit for her year in Switzerland. For those of you that were in attendance, I hope you enjoyed this animated young lady's speaking style and presentation as much as I did. For those of you who were unable to attend, you missed a great speaker – especially so for one so young.
